KRD KARADAŞ[®]

Otomotiv San. ve Tic. Ltd. Şti.

1971 yılında otomotiv yedek parça imalatı alanında faaliyet göstermek üzere Konya'da kurulan **KARADAŞ OTOMOTİV**, yapmış olduğu başarılı çalışmaları daha da ileriye götürebilmek maksadıyla 1994 yılında **KARADAŞ OTOMOTİV** San. ve Tic. Ltd. Şti. olarak aile şirketine dönüşmüştür. Bu dönüşümden sonra kurumsallaşma ve Ar-Ge çalışmalarına hız veren firmamız, aynı zamanda yurt dışı pazar arayışlarını da artırmıştır.

Karadaş Automotive, established in Konya in 1971 to operate in the field of automotive spare parts manufacturing. We developed our firm from small business to company for better services and products in 1994. After this transformation, our company accelerated the institutionalization and R & D activities and also increased the search for foreign markets.
